

Cedar Rapids Metro Economic Alliance and Marion Chamber of Commerce Ambassador Program Handbook

Ambassadors are individuals who know the Cedar Rapids Metro Economic Alliance (Economic Alliance) and/or Marion Chamber well and help educate new and existing members about the benefits of membership and involvement. Ambassadors are the some of the most visible members of both organizations and have the opportunity to drastically increase their network.

Purpose: Ambassadors represent membership by lending support to fellow members during milestone events like ribbon cuttings and groundbreakings. Ambassadors also provide a solid volunteer base to help organize and plan networking events. Considered the goodwill or PR arm of our organizations, this committee plays an important role in member communication and retention, and each Ambassadors should convey member needs, questions and concerns to Economic Alliance and Marion Chamber staff, in order to keep our organizations in line with member’s desires. Committee members should celebrate the success of area businesses and organizations, network with members and reward the good work of local businesses.

Role: Ambassadors promote engagement within membership, facilitate networking among members and encourage participation and involvement in organizational programs. Serving as an Ambassador provides you with a greater level of visibility and promotion than standard Chamber membership. As an Ambassador of our organization you will receive recognition throughout the year in a variety of different ways such as a listing on the Ambassador page of the Economic Alliance and Marion Chamber of Commerce websites. The committee is coordinated by a liaison from the Cedar Rapids Metro Economic Alliance and Marion Chamber of Commerce.
