

No purchase necessary. Void where prohibited.

Must be 13 years of age or older to enter.

Contest/challenge begins on Thursday, July 15 and ends on Friday, September 17. For each CR Summer Rally giveaway, the Cedar Rapids Metro Economic Alliance Facebook and Instagram will create a post and ask contest entrants to follow a link on the post with a photo of the featured CR Summer Rally participant. This will lead participants to the CR Summer Rally landing page where they will proceed to fill out a form with their contact information to be entered to win the specified giveaway item(s). It is the Cedar Rapids Metro Economic Alliance Facebook administrator's sole discretion to determine if there are any inappropriate interactions in the posts.

Each CR Summer Rally giveaway during the contest/challenge dates will open at approximately noon on the announced day and be open for 24 hours. One winner will be chosen at random from the entries received and be notified directly by a member of the Cedar Rapids Metro Economic Alliance staff.

Contestants may only enter on the official contest/challenge website form one time per contest post during the contest/challenge period. Contestants may enter every single one of the contest forms once and will also only be allowed to win one item over the course of the ten-week program. Once a contestant has won an item, they are no longer eligible to win another.

Contestants must use valid contact information when filling out the form and will have seven days from the time they are notified by an Economic Alliance staff member about winning to claim their prize. Winners must pick up their prize at the Cedar Rapids Metro Economic Alliance (501 First. St. SE, Cedar Rapids, IA 52401).

If a winner does not pick up their prize within 7 business days of being awarded, another winner will be determined from the original contest/challenge entrants.

Individuals are only eligible to win one daily contest.

All contest/challenge entrants grant complete release of Facebook and the Cedar Rapids Metro Economic Alliance

This promotion is in no way sponsored, endorsed, administered by or associated with Facebook or Instagram.
