### Mercy Medical Center Receives 4-Star Rating From CMS

**CEDAR RAPIDS, IA (June 4, 2026)** – Mercy Medical Center has been awarded an Overall Hospital Quality Star Rating of 4 from the Centers for Medicare & Medicaid Services (CMS), reflecting strong performance across key quality measures, including mortality, safety, readmission, patient experience, and timely and effective care.

The CMS star ratings summarize hospital performance using data reported through federal quality programs, thereby offering patients a clear, comparative look at healthcare quality nationwide.

The four-star designation underscores Mercy’s ongoing commitment to delivering high-quality, patient-centered care and places it among the nation’s higher-performing hospitals evaluated under CMS’s comprehensive methodology.
